INTRODUCTION

The D.C. Department of Corrections' (DOC) Central Detention Facility, also known as the D.C. Jail, is a multi-custody level facility located at 1901 D Street SE, Washington, DC 20003. The D.C. Jail is the point of entry after arraignment and commitment by the D.C. Superior Court, U.S. District Court or US Marshal detainment. The D.C. Jail houses pretrial detainees, sentenced misdemeanants, parole violators, persons committed on writs, and convicted and sentenced felons pending transfer to other facilities/jurisdictions.

It is DOC policy to provide a safe, secure and orderly environment for employees, inmates and the surrounding community. This handbook explains facility rules, regulations and procedures you must follow while in custody. Security and safety protocols are in place for everyone's protection and will not be compromised.

DOC will post policy or rule changes that might affect you on housing unit bulletin boards, make them available in the law library, and/or otherwise communicate them to you via housing unit staff.

If you have questions concerning any matter, ask staff assigned to your housing unit, contact your case manager or send an inmate request slip to the department responsible for your particular concern. In later sections of the handbook, you will be advised about the grievance process and other ways to report/resolve issues impacting you while at the jail.

INMATE RIGHTS

It is DOC policy to ensure that you are treated fairly and your legal rights are respected. You have the following rights:

- (1) To access legal assistance (courts, attorneys/legal representatives, legal materials, diplomatic representation, grievance procedures);
- (2) To be protected from personal abuse, corporal punishment, personal injury, or property damage;
- (3) To be protected from any form of sexual abuse, sexual assault, and sexual harassment by any person who works for, visits or is confined to DOC facilities and/or contracted facilities;
- (4) To be protected from other inmates having power over you;
- (5) Freedom in personal grooming as outlined in DOC policy;
- (6) Access to adequate health care;
- (7) Access to adequate food/nutrition;
- (8) Freedom from discrimination based on race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, matriculation, political affiliation, genetic information, disability, source of income, status as a victim of an intra-family offense, and place of residence or business and any other prohibited discrimination provided in DC law when determining housing and program participation;
- (9) Access to uniform procedures at disciplinary and housing hearings;
- (10) Access to programs, services and activities (except when participation presents a threat to the safety, security, or orderly operation of the facility). If you cannot participate in a program based on administrative reasons, DOC will attempt to make reasonable accommodations. You cannot participate in programs while in disciplinary segregation, and

(11) Access to appropriate auxiliary aids and services for inmates and visitors who are deaf or hard of hearing. DOC provides auxiliary aids and services free of charge, such as sign language interpreters, video remote interpretation services, teletypewriters, note takers, and closed captioning. Additional requests may be submitted, but are not guaranteed.

Reasonable Accommodation (for inmates with disabilities)

To request an accommodation, you must complete an inmate request form informing the case manager of your disability. The case manager shall determine if the request is valid and meets the “Reasonable Accommodation” standard. The case manager shall submit a recommendation along with the completed inmate request form to the ADA Coordinator for consideration.

The request for accommodation shall specifically state your alleged disability or disabilities, the major life activity that your condition places a substantial limitation upon, the specific accommodation(s) requested, and the reason you need the accommodation(s). An additional page may be attached to the request if necessary.

You may request additional accommodations at any time if you feel a new disability has arisen, the current disability has worsened, for access to a program, benefit or service, or any other legitimate reason.

ADMISSION AND ORIENTATION

At the point of entry into the facility, you will be asked to share basic personal information. You must also submit to a strip search, shower, and change into jail issued clothing. You will be fingerprinted and photographed and a wristband (identification) will be issued (placed on your arm). You must surrender all unauthorized personal belongings (See “Personal Property” section). You will sign a property receipt for items taken and items you’re allowed to keep. DOC will store your identification (ex: driver’s license) until your release. If you consent, the jail will allow family members to pick up your personal property within fifteen (15) business days. Personal property (except jewelry) is destroyed after fifteen (15) business days.

Medical Screening

You will receive a medical, dental and mental health screening while in the jail. Based on the results, health care providers on-site will discuss any required treatment with you. They will also advise you on important health precautions and how to access health care services during your confinement.

Medical Hold

To protect you and others from communicable diseases, you may be held in restricted housing if you do not submit to a medical screening.

Communications Assistance

If you have limited/no English proficiency, DOC will provide communication assistance through translators and/or an interpreter service. DOC will also provide interpreter services and other auxiliary aids and services to assist if you have a hearing impairment.

Intake

Upon arrival at the Inmate Reception Center (IRC), case management staff will provide an orientation to the facility. You will be interviewed, receive information, handouts and other documents that will help familiarize you with the jail. This process will include viewing videos on the Prison Rape Elimination Act (PREA), orientation and reentry. From the IRC you will be transferred to the intake unit or other appropriate housing where you will receive a custody score, a risk screening and a PREA assessment. Your custody score along with other factors will help determine where you will be housed. You will also receive information about the facility to include programs, services and activities, rules, housing, and disciplinary procedures. Sentenced misdemeanants with forty-five (45) days or less left to serve may undergo an assessment to help identify both your pre and post release planning needs.

INMATE GREIVANCE PROCEDURES (IGP)

You are to attempt to advise a staff member of a complaint as soon as possible after an issue arises.

You will be able to request informal resolution within five (5) days after a request for services by a staff person has not been satisfied.

You may request the inmate informal resolution/grievance form from any staff member who is assigned to your housing unit, and the staff member will give you the form during his or her shift or tour of duty.

You will give the informal resolution form to the unit Case Manager, or Program Manager and the Case Manager will research necessary information to determine if a remedy is possible.

The Case Manager will develop a response to present to you in an attempt to resolve the issue informally.

Your Case Manager will sign the informal/grievance form and will respond to the inmate complaint within five (5) business days by submitting the signed official response on the original form to you.

If the issue could not be resolved by the Case Manager, you may submit the original complaint to the IGP Coordinator by placing the form in the housing unit locked grievance box. This action will initiate a formal grievance.

The grievances will be collected from each CDF housing unit's locked grievance box Monday through Friday.

You will be forwarded a receipt by the IGP coordinator via institutional mail. Unless an extension is granted due to extenuating circumstances, you will receive a response within fifteen (15) business days of receipt by the IGP Coordinator.

FORMAL GRIEVANCE PROCESS

a. You may file a formal grievance when:

- 1) You are not satisfied with the results of the informal resolution process, in which case you must file the formal grievance within five (5) business days of receipt of the informal resolution response, or
- 2) You have not received a response within fifteen (15) business days of filing the complaint.

b. Each grievance must pertain to one specific incident, charge or complaint. You shall not submit duplicate copies of the same grievance.

To file a formal grievance, place the original Inmate Informal Resolution\Grievance form in the locked grievance box marked "GRIEVANCES" located in your housing unit. If you are housed in a segregation unit, you must deposit the grievance form in the locked box marked "GRIEVANCES" during your individual recreation time or may submit the grievance to your assigned Case Manager or a Supervisor, after having first placed the grievance form in a sealed envelope.

The Case Manager or Supervisor will then place the grievance form in the locked box marked "GRIEVANCES."

Unless an extension is granted due to extenuating circumstances, you will receive a response within fifteen (15) calendar days of submission.

PROCEDURES FOR WARDEN'S REQUEST FOR ADMINISTRATIVE REMEDY

a. Within five (5) business days of receiving the Formal Grievance response from the IGP Coordinator, you may elect to appeal the decision by submitting the original inmate informal resolution/grievance form to the Warden.

c. If the original form cannot be obtained, you may submit your grievance on standard, letter-sized paper. This grievance should contain the following information:

b. You must prominently label and identify the grievance as an "Emergency Grievance" at the top of the Inmate Informal Resolution Grievance Form and state the nature of the emergency.

- c. You will file the emergency grievance in a sealed envelope and mark the envelope as an Emergency Grievance. You shall address the emergency grievance to the lowest administrative level at which an appropriate remedy can be achieved.
- d. If it is necessary for you to file an emergency grievance on the weekend or a holiday, the sealed envelope shall be given to the Shift Supervisor who will ensure that the Duty Administrative Officer is notified upon receipt of the emergency grievance.
- e. If your grievance is of a sensitive nature and you have reason to believe that you would be adversely affected if it was to become known at the institutional level, you may file the grievance directly with the Director. All such emergency grievances may be placed in the locked grievance box or forwarded via regular institutional mail.
- f. You shall be informed if the grievance is not accepted as an emergency grievance and informed that the grievance shall be treated as a regular grievance.
- g. The following special provisions shall apply to emergency grievances:
 - 1) An emergency grievance shall be responded to within seventy-two (72) hours of its receipt.
 - 2) Within forty-eight (48) hours of receiving a response to the emergency grievance, you may appeal to the next level of the IGP appeal process, unless the emergency went directly to the Director.

- d. OIS shall notify the inmate in writing of any such extension and provide a date by which a decision will be made.
- e. After receiving an emergency grievance alleging that an inmate is subject to a substantial risk of imminent sexual abuse, DOC shall provide an initial response within forty-eight (48) hours and shall issue a final decision within five (5) days.

- 2) This appeal must be filed within five (5) days of receipt of the grievance response from the Warden, using IGP Form 1 Appeal Level 1 – Deputy Director. The appeal must be accompanied by a copy of the original Inmate Informal Resolution form with supporting documentation. If an IGP Form 1 *Appeal Level 1 – Deputy Director* cannot be obtained; you may submit the grievance on standard letter-size paper.

PREA (Prison Rape Elimination Act 2003)

ZERO TOLERANCE FOR SEXUAL ABUSE, ASSAULT AND MISCONDUCT

The D.C. Department of Corrections is committed to ensuring a safe and humane environment for all offenders. An important part of a safe and humane environment is freedom from sexual abuse, assault and misconduct by other inmates and staff members. For the purpose of this guide, staff includes Department of Corrections' employees, contract employees, and volunteers. This section of the handbook explains your rights and the safeguards that are in place for your protection from sexual abuse, assault and misconduct, as well as retaliation for reporting such conduct.

The D.C. Department of Corrections cannot and will not tolerate any form of sexual abuse, assault or misconduct and/or sexual contact, including that of a consensual nature. Federal and District of Columbia law prohibit such behavior and accordingly, the Department of Corrections maintains a zero tolerance policy with regard to all sexual abuse, assault, and misconduct.

What is sexual abuse?

Sexual abuse includes any of the following acts, if the victim does not consent, is coerced into such act by overt or implied threats of violence, or is unable to consent or refuses:

- Contact between the penis and the vulva or the penis and anus, including penetration, however slight;
- Contact between the mouth and the penis, vulva, or anus;

- Penetration of the anal or genital opening of another person, however slight, by a finger or object, or instrument;
- Any other intentional touching of your genital areas, inner thigh, breast, or buttocks either directly or through the clothing that is unrelated to official duties and excluding contact incidental to a physical altercation;
- Contact between the mouth and any body part where a staff member, contractor or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- Penetration of the anal or genital opening, however slight, by a hand, finger, object, or other instrument, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- Any other intentional contact, either directly or through the clothing, of or with the genitalia, anus, groin, breast, inner thigh, or the buttocks, that is unrelated to official duties or where the staff member, contractor, or volunteer has the intent to abuse, arouse, or gratify sexual desire;
- Any attempt, threat, or request by an employee, contractor, or volunteer to engage in such activities;
- Any display by a staff member, contractor, or volunteer of his or her uncovered genitalia, buttocks, or breast in the presence of an inmate, detainee, or resident, and
- Voyeurism by a staff member.

What is sexual assault?

Sexual assault is a forcible sexual act, a sexual act performed against the inmate's will, or a sexual act that is achieved through the exploitation of fear or the threat of physical violence or bodily injury.

What is sexual misconduct?

Sexual misconduct includes sexual harassment and the invasion of an inmate's privacy. Sexual Harassment includes:

- Verbal or physical sexual conduct that creates a hostile, offensive or intimidating environment, including, but not limited to, obscene or sexually offensive advances, gestures, and comments; or influencing or making promises involving an inmate's safety, custody, privacy, housing, privileges, work detail or program status in exchange for sexual favors;
- Influencing or offering to favorably influence an inmate's safety, custody, privacy, housing, privileges, work detail, or program status if the inmate submits to sexual advances or sexual contact, and
- Influencing or threatening an inmate's safety, custody, privacy, housing, privileges, work detail, or program status because the inmate has refused to submit to a sexual advance.

Invasion of Privacy includes:

- Observing, attempting to observe, or interfering in an inmate's activities, which are of a personal nature, without a sound penological reason, and
- Failure of an employee of the opposite sex to announce his/her presence, without a sound penological reason, when entering an inmate's housing unit.

Sexual Abuse, Assault and Misconduct Prevention:

While incarcerated, no one has the right to pressure you to engage in sexual acts. You do not have to tolerate sexual abuse, assault or misconduct, or be pressured to engage in unwanted sexual behavior.

To avoid sexual abuse, assault and misconduct:

- Choose associates carefully. Look for people who are involved in positive activities.
- Avoid being alone.
- Do not accept gifts or favors from others. Most gifts come with strings attached.
- Do not accept an offer from another offender to be your protector.
- Avoid borrowing and becoming indebted to anyone.
- Be confident and do not permit emotions to be obvious to others.
- Find a staff person with whom you feel comfortable discussing fears and concerns.

Reporting Sexual Abuse, Assault and Misconduct

Sexual abuse, assault and misconduct by an inmate or a staff member are prohibited. Such behavior must be reported in order for action to be taken. To ensure that all such behavior is reported, the D.C Department of Corrections has several ways for inmates to report confidentially. Inmates may use the reporting method with which they are most comfortable.

Methods to report:

1. **Tell any staff at the facility.** It is part of their job to report any allegation, ensure inmate safety, and maintain confidentiality. Staff are required to accept all reports made verbally, in writing, anonymously, and from third-parties (families, friends, lawyers, etc.).
2. **Use the Inmate Grievance Procedures – Submit an Emergency Grievance**
3. **Call, write, or email the Office of the Inspector General:**
Hotline numbers: 800-521-1639 or 202-724-8477

Washington, DC 20005
hotline.oig@dc.gov

Instructions to access the OIG Hotline

The Hotline number is programmed into the inmate phone system and is free to access. All information reported is strictly confidential.

To contact the OIG please do the following:

1. Enter your TID#
2. Select option #5 for special services
3. Choose option #4 to make the report

What happens when a report of sexual abuse, assault or misconduct is made?

The D.C. Department of Corrections, through its Office of Investigative Services, will review each report of sexual abuse, assault and misconduct and refer each case to the Metropolitan Police Department (MPD) unless the allegation does not involve potentially criminal behavior. OIS will work closely with MPD in these investigations.

OIS may interview the individual who reported the sexual abuse, assault or misconduct to clarify facts concerning the complaint and OIS will determine whether the complaint is referred for internal investigation.

If the complaint is referred for internal investigation, OIS will provide written notification to appropriate individuals advising them of the complaint, investigation procedures, confidentiality requirements, and the prohibition of communication, intimidation and retaliation against the individual alleged to have been the subject of sexual abuse, assault or misconduct.

While the investigation is pending, the involved individuals will be separated.

The OIS may interview the individual who reported the abuse, assault or misconduct, witnesses, and/or the third party informant and take action.

DOC will notify individuals of scheduled interviews in advance and allow those being interviewed to contact their attorneys. Attorneys cannot testify during an interview, but can be consulted before answering questions.

The Investigator may tape-record all testimony and shall draft a statement detailing testimony from each person who is interviewed.

Keep in mind that a thorough investigation takes time. The investigation must clearly support or refute any allegation with evidence, information gathered from witnesses, and documentation.

DOC will provide notification in writing of investigation findings and appeal procedures.

What is retaliation?

Retaliation is:

- Restraint, interference, coercion, acts of covert or overt vengeance, or threats of action to discourage, prevent or punish an inmate, arrestee, or resident for refusal to submit to sexual advances.
- An adverse action taken against any individual because of his/her involvement in the reporting or investigation of a sexual abuse, sexual assault or sexual misconduct complaint.

The Department of Corrections prohibits any individual from interfering with an investigation, including intimidation or retaliation against witnesses. If an inmate believes that he or she is being denied privileges, or is being unfairly transferred or punished in some way because he or she filed a complaint or assisted in the investigation of a complaint, he or she should report this to the agency PREA Coordinator. You may submit a letter, request slip or an IGP addressed to the PREA Coordinator.

Possible Outcomes of an Investigation

Following an investigation into an inmate's allegation that he or she was a victim of sexual abuse, assault or misconduct and/or retaliation in an agency facility, the agency shall inform the inmate of the investigative outcome, which will be one of the following:

- **Substantiated-** The allegation was investigated and determined to have occurred.
- **Unsubstantiated-** The allegation was investigated and the investigation produced insufficient evidence to make a final determination as to whether or not the event occurred.
- **Unfounded-** The allegation was investigated and determined not to have occurred.

The DOC will notify an inmate in writing of investigation findings and appeal processes. However, this obligation shall terminate if the inmate is released from the agency's custody.

Inmate Discipline for Sexual Abuse, Assault and Misconduct

Inmates who engage in the sexual abuse, assault or misconduct shall be referred for criminal prosecution.

Inmates who engage in sexual abuse, assault and misconduct shall be disciplined in accordance with PM 5300.1, *Inmate Disciplinary and Administrative Housing Hearing Procedures*.

(8) any immediate action taken, including the use of force; and (9) the reporting staff member's signature and date and time of the report.

Filing

The writer shall file the disciplinary report with the Shift Supervisor before completion of the tour of duty on the day of the incident. In exceptional circumstances, the report may be filed within two (2) business days of the alleged offense. Such exceptional circumstances shall be noted on the report and approved by the Shift Major.

Investigation

The Investigating Officer shall complete the investigation within 48 hours of the disciplinary report (DR) being filed. The Investigating Officer shall review the DR for sufficiency, clarity, correct dates, times, misspellings and will ensure that the charges are supported and are correct. The Investigating Officer may interview and obtain statements from the charged inmate and other witnesses, including witnesses requested by the charged inmate. The Investigating Officer can reject the DR when charges are not supported or at the admission of guilt, reduce the charges with your cooperation by informally resolving a Class III or Class IV offense, or refer the DR for a hearing.

Informal Resolution Determination of Class III and Class IV Offenses

The Investigating Officer shall advise you of your right to remain silent and that anything said can and may be used against you at this and any subsequent proceedings. The official may impose any sanction(s) designated as appropriate penalty for the particular

charge(s) with the exception of Disciplinary Detention. Proposed discipline shall be discussed with you prior to your agreeing to plead guilty. If the Investigating Officer is successful with informal resolution, a record of the incident and resolution shall be completed and filed with the Disciplinary Board Officer. The decision shall be final. You must sign the Disciplinary Investigation Report attesting to agreement with informal resolution. You may also prepare a written statement, which the official shall attach to the informal resolution report. Any offers of settlement made during unsuccessful attempts at informal resolution are not binding in any way on a Hearing Officer or the Disciplinary Board in a formal hearing on the charges.

Notice of Formal Disciplinary Action and Procedures

The Investigating Officer will advise you of pending discipline, of your right to remain silent and that what you say can and may be used against you at this and any subsequent proceedings.

The Investigating Officer will record your statement or note when you want to make a statement.

The Investigating Officer will give you a copy of the DR.

You have the option to be heard by a single Hearing Officer or the Disciplinary Board.

You also have the option to have representation from a Public Defender Service representative for Class I offenses and a DOC staff representative for Class II offenses.

You have a right to present evidence at the hearing and you should advise the Investigating Officer of witnesses you want to call.

You will be asked to sign the Investigation Report to show you received a copy. Doing so does not admit guilt.

PREHEARING DETENTION

A Shift Lieutenant with the approval of the Shift Captain or higher authority may place you in prehearing detention when it is necessary to protect you, other inmates, or to ensure the safe, secure and orderly operation of the facility.

DISCIPLINARY BOARD HEARINGS

Hearings are held Monday through Friday, except holidays. You should have a hearing within seven (7) days (not including weekends and holidays) of the alleged offense. The Hearing Officer will let you know twenty-four (24) hours in advance of the hearing. You may request a three (3) business day continuance if your representative or an important witness is not available or further investigation is needed.

INMATE REPRESENTATION

In a Class I Offense, the legal representative or in a Class II Offense, the staff representative may (1) interview you prior to the hearing, (2) talk to witnesses, (3) review statements and charges, (4) make a statement and present evidence at the hearing, and (5) help you to present your defense.

DISCIPLINARY BOARD/OFFICER

Individuals selected to hear your case are staff who did not participate in the incident in any way and must provide an impartial hearing.

DISCIPLINARY HEARING PROCEDURES

You are required to attend the hearing unless you waive your presence in writing or security concerns dictate that you not be present. DOC may remove you from the

hearing if your conduct requires removal. You will be informed of your rights. The hearing will be taped or detailed notes will be taken. All reports and evidence will be read to you. You are allowed to make a statement and present evidence or remain silent. You may hear witness testimony but only your representative or the Board/Officer can question witnesses. The number of witnesses will be limited to those who can provide testimony to the incident without everyone repeating the same testimony or when bringing the witness to the hearing poses a security problem.

The Board/Officer will decide and advise you of the finding of guilt or innocence. If the finding is guilt, you or your representative can make a final statement on your behalf. The Board/Officer may review your institutional record for past disciplinary reports and behavior to help determine appropriate discipline. The Board/Officer will tell you the decision. Within five (5) business days, the Warden/designee will either: (1) approve the findings, (2) vacate a finding of guilt and all sanctions, (3) reduce the sanctions, or (4) send your case back for further proceedings.

APPEAL

You or your representative may send a written appeal to the Warden within three (3) business days based upon challenges to the evidence or the amount of punishment. The Warden will provide you with a written decision within ten (10) business days of receipt of your appeal.

DISMISSAL

The Disciplinary Officer shall remove the DR and evidence from your record when you are found not guilty of the entire DR.

DISCIPLINARY DETENTION

Placement in disciplinary detention may only occur after a guilty finding for a rule violation. Restrictions in disciplinary detention include: no social visits, limited telephone calls, no participation in education instruction (except for general and special education and related services for eligible youth offenders), no participation in other facility programs, and removal from work detail assignments for a period of not less than six (6) months.

NOTE: Inmates in pre-detention are not subject to the following restrictions.

ADMINISTRATIVE SEGREGATION (AS) AFTER RELEASE FROM DISCIPLINARY DETENTION

You may be separated from the general population after your period of discipline when any of the following are apparent: (1) there is a clear and present threat to your personal safety and involuntary protective custody is deemed appropriate, (2) there is a clear and present threat to support your request for voluntary protective custody, (3) you pose a clear and present danger to the safety of others, (4) you pose a definite escape risk, or (5) you have been referred for criminal prosecution or are under investigation for a crime you committed while incarcerated. The Warden or designee shall review your status within seventy-two (72) hours.

HOUSING HEARINGS

Housing hearings are held before a housing board to allow for a full and fair determination for placing an inmate in Administrative Segregation.

You will receive notice that a housing hearing has been scheduled at least twenty-four (24) hours in advance. The notice will inform you of the following: if the matter has been

referred for criminal prosecution, that you have the right to remain silent, that your silence alone will not subject you to disciplinary action, that you are entitled to testify at the hearing but that any testimony given may be used against you in future housing hearings, disciplinary hearings, or criminal prosecutions.

The hearing officer may appoint a staff representative to assist you if needed.

At the hearing the housing board will advise you of your rights and present findings and supporting evidence for any proposed action.

If the housing board determines that administrative segregation is appropriate, the hearing officer will prepare, within two (2) business days of the hearing, a written statement of the housing board's decision and the information upon which the decision is based.

APPEAL

You may submit an appeal within three (3) business days to the Warden. The Warden will issue a written decision to your appeal within three (3) business days of receipt of your appeal.

ADMINISTRATIVE REVIEW REHEARINGS

The housing board will review your status every seven (7) days for the first two (2) months and every thirty (30) days thereafter to determine if you can be placed in a less restrictive status. You may appear at each hearing and present any new evidence for the Board's consideration. When the Board determines there is no longer a risk, you may be released to general population.

ADMINISTRATIVE SEGREGATION – GENERAL PRIVILEGES include: medical care, medication and access to basic personal care, showers three (3) times per week, hair care, laundry exchange same as the general population, access to books, visits, mail and telephone calls, religious counseling, canteen, five (5) hours per week out-of-cell recreation, and general and special education related services for eligible youthful offenders.
